INTRODUCTION

Caritas Charity Foundation is a humanitarian organization dedicated to uplifting the lives of the vulnerable in society. For the past decade, we have consistently provided donations and support to orphanage homes, prison houses, and the needy. Our mission is rooted in compassion, service, and the belief that every individual deserves dignity and hope.

As we approach our 10th Anniversary in November 2026, we seek sponsorship partnerships to make this milestone celebration impactful. The anniversary will not only commemorate our journey but also expand our reach to more communities in need.

FOUNDER

Grace Akodi is the visionary leader behind Caritas Charity Foundation, a woman of deep compassion and resilience who established the organization with a clear mission: to be a beacon of hope for the marginalized and forgotten in society. Her passion for

humanitarian service was ignited by personal encounters with disadvantaged children and families in her community, experiences that inspired her to dedicate her life to creating opportunities for dignity and care. Through her unwavering commitment, Caritas Charity Foundation has grown into a trusted charity recognized for its transparency, consistency, and genuine impact.

This act of generosity strengthened Caritas Charity Foundation's reputation as a trusted charity organization, demonstrating our ability to mobilize resources and deliver impactful interventions. It also set the tone for future projects, inspiring volunteers, donors, and partners to continue supporting our mission. The 2024 donation remains a proud milestone in our history, and it serves as a foundation for the 10th Anniversary Celebration in 2026, which will also feature a massive donation drive as part of the event.

PRISON DONATION

In 2024, Caritas Charity Foundation carried out one of its most significant humanitarian outreaches with a massive donation to Koforidua Prison House. This initiative was a landmark in our journey, reflecting our commitment to extend compassion and dignity to those often overlooked in society. The donation included essential supplies and support that directly improved the welfare of inmates. Beyond material assistance, the outreach carried a powerful message of hope, reminding beneficiaries that they are not forgotten and that society still cares about their well-being.

Over the past decade, the foundation has reached orphanage homes, prison houses, and countless needy families, delivering hope where it is most needed. Grace Akodi embodies the values of empathy, integrity, and service, and her leadership continues to inspire volunteers, donors, and beneficiaries alike. Her story is a testament to how one person's vision, resilience, and compassion can transform countless lives, and as Caritas Charity Foundation celebrates its 10th Anniversary in November 2026, her journey stands as a reminder that true leadership is measured not by titles, but by the lives uplifted.

CHALLENGES

- Lack of financial support
- Lack of good sponsorship
